

Scholarships for Students with Foreign Citizenship

Boğaziçi University does not have a particular scholarship program for international students. The application process of Boğaziçi University Scholarships starts at the beginning of each academic year. Students apply to scholarships during the dates that are announced on the website of Financial Aid Office at the beginning of July. Students must follow the website of Financial Aid Office regarding available scholarships and the application process. Students whose application documents differ from the English language are required to have their documents translated into Turkish or English.

- Students who wish to apply for undergraduate programs can apply to “Türkiye Bursları” Program of the Presidency for Turks Abroad and Related Communities.
